Departments

96 Brief Report
Computer-Based Rhythm and Timing Training in Severe, Stroke-Induced Arm Hemiparesis
Sarah C. Beckelhimer, Ann E. Dalton, Charissa A. Richter, Valerie Hermann, Stephen J. Pa

101 Brief Report
Caregiver Awareness of Prone Play Recommendations
Anne H. Zachry, Katherine M. Kitzmann

106 The Issue Is . . .
Is Occupational Therapy Adequately Meeting the Needs of People With Chronic Pain?
Katie Robinson, Norelee Kennedy, Dominic Harmon

Continuing Education

116 Continuing Education

Accessing the American Journal of Occupational Therapy Online

Volume 65 of the American Journal of Occupational Therapy (AJOT) brings with it a new feature: online-only research articles. By placing some articles online with each issue, the editors hope to expand access to the journal's content both within the field of occupational therapy and across disciplines as well as to feature more research in each issue and shorten publication times.

To access AJOT online, visit http://ajot.aotapress.net/

Examination of the Factor Structure of the Disabilities of the Arm, Shoulder, and Hand Questionnaire
Leigh A. Lehman, Michelle Woodbury, Craig A. Velozo

Driving Simulator Sickness: An Evidence-Based Review of the Literature
Sherrilene Classen, Megan Bewernitz, Orit Shechtman
**ETHICS COMMISSION**

Public Disciplinary Actions: January 2011

The Ethics Commission (EC) has taken the following recent disciplinary actions. According to Section 1.3 of the *Enforcement Procedures for the Occupational Therapy Code of Ethics*, with the exception of those cases involving only reprimand, the American Occupational Therapy Association (AOTA) “will report the conclusions and sanctions in its official publications and will also communicate to any appropriate persons or entities.”
